

Autumn 2023

The National Industrial Sector Committee (NISC) is the national body which manages Unites Health Sector. Comprised of Representatives from across our regions with input from Specialist and National Officers. The current Chair is David Donohue with Vice Chairs Andrew Ford and Elaine Baptiste

The Autumn NISC Meeting took place in Belfast, where we had a busy agenda and considered multiple motions on Sector Policy, Sector Conference, HPC and Mental Health Care, Airborne Protection for Covid and a resolution to affirm our resistance to migrant charges for healthcare

The committee received a warm welcome from Susan Fitzgerald the Secretary for Ireland. A informative workshop on Whistleblowing and Freedom to Speak up was held. Reports from the National Team and EC members were considered. As well as a review of the Sexual Safety Charter.

Meeting Highlights

- 1) Workshop on Freedom to Speak Up & Whistleblowing—Factsheet TBA
- 2) National Minimum Service Levels & impact on Industrial Action
- 3) Workshop Sessions TBA—with first on NISC Constitution

The Winter NISC will take place in London on the 10/01/2024 all motions must be received from RISCs by 03/01/2024 to be considered. We are interested in supporting our Reps in Health so please look out for a brief survey to assess your key priorities from Unite for 2024.
