

**BLACK
LIVES
MATTER**

**RACISM
HURTS**

A close-up photograph of a hand with fingers spread, appearing to smash through a surface. The surface is covered with the word 'RACISM' in large, bold, black letters. The impact of the hand is causing the letters to shatter and break apart into small black fragments, which are scattered around the base of the letters. The background is a warm, yellowish-brown color.

NO to discrimination
to systemic racism
