# Join a union with 1.4 million members

Join a union that campaigns on what matters to you. Join Unite Community. You're stronger with 1.4 million people on your side.

## Saving the NHS

Our NHS is under threat; we're on the front line trying to protect it. Protesting against closures to Accident and Emergency units, campaigning head on against the privatisation of the NHS and supporting our members at work when they are forced to go on strike.

## Housing

Unite members have stopped people from being evicted from their homes. We campaign for more social housing and an end to 'revenge evictions' by ruthless landlords. Unite Community is the leading the fight for more council homes and rent controls.

## Fighting Welfare cuts

Where the government cuts benefits, we oppose it. Leading a national campaign against the cruel and hated Bedroom Tax and when benefit sanctions cause misery on the unemployed, we stand against them. Unite Community member's support each other and we train members to assist in helping members appeal when their benefits have been sanctioned. We oppose workfare and other unfair attacks on the unemployed.

Unite Community also leads local campaigns, calling for better local bus routes,

against removing freedom passes from the elderly and disabled and to keep vital services open such as youth centres, libraries and Sure Start centres. Where poverty and hardship lead to foodbanks in our communities we've made donations to them and set up clothing banks.

**If we stand together and campaign we can win.**
