

SITE SAFE WORKING

during the COVID-19 pandemic

Unite officers and activists are dedicated to protecting your health. To reduce COVID-19 transmissions it is essential as a minimum the following procedures are followed on sites.

- Barriers or floor markings to help ensure social distancing
- Canteen and welfare facilities set out to allow for social distancing
- Masks supplied free of charge for canteens
- Sufficient hand sanitiser stations
- Temperature checking on arrival

For more information on safe workplaces go to: www.unitetheunion.org/coronavirus

If you workplace is not following these rules immediately contact your union rep your Unite officer or union office.

or phone: **020 7622 2442** or email: construction@unitetheunion.org
