

PRIDE 2024

With a growing number of Pride events, Unite continues to play an active role in promoting LGBT+ equality, celebrating LGBT+ people.

We encourage Unite members, their friends and families to come along, visit our stalls and enjoy the atmosphere at the following Pride events around the country, supported by Unite.

At Pride events, trade union activists have an opportunity to bring our campaign against high cost of living, austerity and cuts to our services and workers' rights to tens of thousands of people. It is also an ideal recruitment opportunity for Unite.
