## New for 2026!

**The way you buy your  
Unite Diary is changing!**

**Sales will now be online**

**Dear Unite diary owner**

We know how much you value your Unite diary.

From Autumn 2025, how you buy your Unite diary is changing.

**You will now buy your Unite diary online through a unique  
Unite diary 'shop'.**

**The online service means that you will need to use a credit  
or debit card with your banking details to complete  
your purchase.**

Cheques cannot be used with online sales but if  
you can only pay by cheque, then please get in touch  
by emailing us at [UniteDiary@unitetheunion.org](mailto:UniteDiary@unitetheunion.org)  
so we can assist you.

A paper order form can be supplied and cheques  
accepted from branches and members who  
are not able to transition this year to  
online purchasing.
