# COULD YOU USE MORE 'SCREEN TIME'?

HEALTH SCREENING SAVES LIVES.

Taking time off work to take care of your health can be hard.

UNITE IS HERE FOR YOU

To make things easier, we're calling on every employer to provide PAID TIME OFF for health screenings and medical appointments.

NHS screening is free. Early detection of cancer and other conditions, when treatment is more likely to be successful, can make all the difference.

JOIN US:

1. Talk to your GP about the NHS screening programme and book an appointment today! nhs.uk/conditions/nhs-screening

2. Talk to your Unite rep to get involved in Unite's Screen Time campaign or go to unitetheunion.org/screentime.
