

NATIONAL CARERS WEEK 2025

Carers Week™

Join the Unite events to find out how to support unpaid carers and create carer-friendly workplaces

UNITE EVENTS TO MARK NATIONAL CARERS WEEK 2025

Wednesday 11th June, 6pm-8pm & Friday 13th June, 12pm- 2pm

For National Carers Week 2025, Unite stands with the millions of unpaid carers who hold up our society.

Too often carers are unseen, undervalued, and unsupported. But their work is vital. Whether looking after a parent, partner, child, or friend, unpaid carers save the UK economy over £160 billion a year – yet many struggle financially, emotionally, and at work.

Following recent Government announcements regarding cuts to both in work and support benefits, many carers will also now be extremely concerned about the potential impact.

Come along to these Unite sessions during National Carers Week as we will be highlighting the challenges facing carers and giving them the respect and recognition they deserve.

Whether you are currently a carer or not, please get involved. This is an opportunity to support and organise together, to take collective action on carers policies and lobby for change.

You will need to register in advance for these Unite meetings:
